

Press release

INCREA's Training Courses are now available in National Languages!

We are pleased to report that the content of all of **INCREA's innovative training courses: Language Skills Course, Entrepreneurial Skills Course, Digital Skills Course**, have been translated in **all partners languages**: Greek, French, Spanish, Italian, Slovenian and **Arabic** and are now ready to be released and tested by the target group at local and national level!

Project Partners will soon organize **mini local workshops** that will serve as hands-on training sessions involving migrants and refugees from several European Countries involved in the Project. All the Courses will be soon available in **INCREA's project website** and in a dedicated virtual space that will be developed within a Learning Motivational!

3rd Transnational Project Meeting

On the 24th and 25th of January 2019, the **3rd Project meeting** took place in Reus, Spain. The meeting was a great success! Project Partners had the chance to test for the very first time the **INCREA's serious game**, which will be soon available in INCREA's project website and to discuss about the development of IO3 "**INCREA - From Migrant to Creative Entrepreneur Manual**" which aims at support future migrant creative entrepreneurs in running and developing their business by providing a series of rules and basic practice about "how to run a business".

Upcoming events:

2017-1-EL01-KA204-036273

On the 9 of April 2019 the 2nd **Multiplier Event** will take place in Reus, Spain hosted by DomSpain! The event will involve and engage relevant stakeholders such as trainers, educators, social workers dealing with migrants and refugees at local level, as well as public authorities and academics in order to gather feedbacks and comments on the **INCREA Project** learning and teaching material.

Moreover, the Spanish Partner will provide an overview of the overall project objectives and update the participants on the current social situation of migrants and refugees in Spain and their competency levels in linguistic, creative/cultural digital, and entrepreneurial skills in Spain.
