

Newsletter 4 – 07/2019

INCREA Project , have created 3 training courses, combining language, entrepreneurial and digital skills learning to support social inclusion of migrants through creative and cultural industries!

INCREA project started in 2017 by a consortium of 6 partners from different European countries (Greece, Spain, Italy, Slovenia and Belgium) in the framework of KA2 - Erasmus+ Program. The Project, which aims at both increase migrants' competences and raise awareness among stakeholders to foster integration, have developed a Training course **now ready to be used and freely accessible in all Partners Language in the [INCREA Learning Platform!](#)**

Learning Activity in Matera:

From the 15th to the 17th of July our Partner **MateraHub** hosted the Learning activity of the INCREA's project. The 3 days event was an opportunity for external trainers, educators, social workers and staff members from partner countries (representatives of Italy, Belgium,

Spain, Greece and Slovenia) to **test and assess the Project**

results: Language, Digital and Entrepreneurial training material (IO2), the Manual "From Migrant to creative entrepreneur" (IO3) and the Serious game (IO4) in order to improve the overall quality and coherence of the IO's based on experts inputs and feedbacks.

Project Meeting in Matera:

The last project meeting took place in Matera, Italy, from the 18th to the 19th of July. During the meeting the **staff members have assess the revisions made by the trainers and adjusted the Intellectual Outputs** (Language, Digital and

Entrepreneurial training material (IO2), the Manual "From Migrant to creative entrepreneur" (IO3) and the Serious game (IO4)) on the bases of the **inputs received** by the external trainers. The project meeting was also the occasion to discuss about **the exploitation strategy** and on
